

THE HOWLER

"KEEP MOVING, NEVER STOP IMPROVING."

A MESSAGE FROM OUR PRINCIPAL

Huskies,

This week has been a great week at Howard Middle School; with maybe the exception of Wednesday! All of us miss our students and worry about them when they are not at school. We have been celebrating and preparing for our first schoolwide PBIS event this afternoon. The week of relaxed dress has been successful. I want to thank all the students and staff that participated and I am looking forward to the next time we can have a themed week!

While we cannot control the weather, like Wednesday, every other day in which school is open, we believe attendance at school is extremely important. It is our belief that missing a day or even a class and a student is behind. While our teachers are dedicated to catching students up and working with them when they are out. However, missing that instruction delivered with the rest of the class students miss out on valuable learning and information. So far this year we have a relatively small number of students with over 10% absences. Please help us keep it that way!

Next week we have Labor Day (no school) on Monday. Tuesday, students do not have school either as teachers have professional learning. Wednesday through Friday will be regular schedule of classes. I do want to share; the first progress report will be in Parent Portal on September 15 after 5:00 pm and we will have our first Open House on September 19 from 5:00 – 7:00 pm.

All our athletic teams are off this weekend. Volleyball plays Tuesday at Rutland Middle. Football continues undefeated and leads the county! Softball and Volleyball are playing hard and are marching towards the playoffs! Please come out and support these student-athletes!

Please have a safe and restful Labor Day weekend!

-Principal Jones
