"KEEP MOVING, NEVER STOP IMPROVING."

A MESSAGE FROM OUR PRINCIPAL

#HMSTOGETHER

Huskies,

Happy Friday! We have had a very successful week following our much-needed Thanksgiving Break! We have seen tremendous learning which has been fueled by powerfully planned instruction. In some classes, we have taken some benchmarks to measure the academic growth of our Huskies. In other words, a pretty typical week!

It is already December 1st which means the first semester is quickly ending. Fortunately, we use year-long grading for most classes, Connections has some exceptions. This means while there is a progress report coming out soon it is a progress report. Students can continue working to improve their grades.

It is also the time when we will try to show holiday spirit by having a few spirit days. They will be announced ahead of time. We will also be conducting some drives for various partner organizations as well. We are appreciative of your support in all these endeavors.

Our Winter Sports teams are off to strong starts both the girls' and the boys' basketball teams are 2-1. Wrestling competed Thursday in their second dual. We have some fantastic wrestlers! Our bands and choirs have upcoming concerts. There are a lot of activities happening at HMS. We appreciate your support and are looking forward to seeing you at as many as you can attend!

TEACHER & STAFF

This one goes to our excellent teachers. They work so hard that they help us with every problem or situation and don't expect anything in return. They care so much and they're one in a million! Shoutout to all our Howard Husky Teachers!
