

THE HOWLER

"KEEP MOVING, NEVER STOP IMPROVING."

A MESSAGE FROM OUR PRINCIPAL

Huskies,

We had another Good Week of Learning and Teaching at Howard Middle School. We started with the Softball Team winning and earning a spot in the playoffs. We have had visits to classrooms observing the learning that coincided instruction. We celebrated Attendance Week! We had Picture Day; and the students Dressed for Success in the process. We were able to celebrate 52 students with perfect attendance this year!

The week has had minor hiccups as well. We saw our Football Team make the playoffs but lost a close game in the process. We have seen an increase in behavior choices that are not following our Husky PACK. Some of this behavior we typically see just before a weeklong break. However, please remember Friday October 6th is an Asynchronous Learning Day and teachers will have work for students in Canvas and some assignments sent home.

Our first orders of HMS Husky T-shirts and Hoodies have arrived, and they look fantastic. If you ordered one of them, they are being sent home starting today. If you did not order one, and are interested, you can contact the front office as we will be ordering more!

Coming up this weekend, we have Softball Playoffs vs Appling at 10:00 at the Ed Defore Sports Complex. We also have Football Playoffs vs Rutland at 10:00 at Thompson Stadium. Please come and support our teams! I hope you find the information in this week's The Howler issue helpful and informative.
